

Feedback Form

Statutory Consultation

29 October to 17 December 2025

Northern Endurance Partnership is holding a statutory consultation for the proposed Humber Carbon Capture Pipeline, following our non-statutory consultation held in Summer 2024.

We would like to hear your feedback on our revised proposals.

We are seeking feedback on the overall project; the revised pipeline route, the proposed Above Ground Installations and Pump Facility; routes for construction traffic; opportunities for community benefits; and the Preliminary Environmental Information Report (PEIR) – available on our website at www.nephccp.co.uk/documents

This feedback form can be returned to the team in several ways, including by:

- Freepost to **FREEPOST NEP HCCP** (a stamp is not required and the address must be given in full)
- Emailing a scanned copy to info@nephccp.co.uk
- Attending one of our in-person drop-in consultation events and handing the completed form to a member of the team

Please note that you are not required to answer all questions on the form, and you may respond to the sections most relevant to you. Please do not hesitate to email info@nephccp.co.uk or call us at **0800 024 1436** if you have any questions about how to fill out this form or wish to request another one.

More information about the project, our consultation events, and other ways to provide feedback can be found on our website at: www.nephccp.co.uk

What is the Humber Carbon Capture Pipeline?

The Humber Carbon Capture Pipeline is a proposed onshore pipeline that would transport carbon dioxide produced by industrial projects in the Humber region to secure offshore storage under the North Sea.

The Humber Carbon Capture Pipeline has a vital role to play in the decarbonisation of the Humber industrial cluster, which is the highest carbon producing region in the UK. It is especially important to support key industries.

Community and consultation

We are committed to working directly with local communities to secure meaningful and long-term economic, social and environmental benefits in the local area.

12. Do you have any comments on community schemes or initiatives that we could support or any ideas on local opportunities for environmental enhancement?

13. Do you have any comments on ways you would like the project to continue engaging with the community?

14. Do you have any other comments on the overall proposals for the Humber Carbon Capture Pipeline, including on the revised pipeline route and on the overall environmental and societal impacts of the pipeline proposals?

Data Privacy Notice

Camargue Group Limited is supporting Northern Endurance Partnership (NEP) with its consultation process on the Humber Carbon Capture Pipeline project. Camargue Group Limited (“we” or “us”) is committed to ensuring the privacy of your personal information.

In this notice we explain how we hold, process and retain your personal data.

How we use your personal data

We may process information that you provide to us. This data may include the following:

- Your name
- Your address
- Your telephone number
- Your email address
- Your employer or any group on whose behalf you are authorised to respond
- Your feedback in response to the consultation

We will use your personal data for the following purposes:

- To record accurately and analyse any questions you raise during the consultation or feedback you have provided in response to the consultation
- To report on our consultation, detailing what issues have been raised and how we have responded to that feedback (please note that the information contained in the consultation report will be aggregated and will not identify specific individuals)
- To personalise communications with individuals we are required to contact as part of future consultation or communications. The legal basis for processing this data is that it is necessary for our legitimate interest, namely for the purpose of ensuring the consultation process, analysis and reporting are accurate and comprehensive
- In addition to the specific purposes set out above, we may also process your personal data when it is necessary for compliance with a legal obligation to which we are subject

Providing your personal data to others

We may provide your personal data to the following recipients:

- Northern Endurance Partnership on whose behalf we are collecting your feedback in order to analyse and report on the responses received
- Third party service providers and professional advisors who provide services to Northern Endurance Partnership (NEP) in connection with the consultation
- Department of Energy Security and Net Zero
- The Planning Inspectorate
- Our insurers / professional advisers. We may disclose your personal data to our insurers and / or professional advisers when reasonably necessary for the purposes of obtaining and maintaining insurance cover, managing risks, obtaining professional advice and managing legal disputes

Retaining and deleting personal data

Personal data that we process for any purpose shall not be kept for longer than is necessary for that purpose.

Unless we contact you and obtain your consent for us to retain your personal data for a longer period, we will delete your personal data as soon as practicable following the outcome of the consultation process.

We may retain your personal data where such retention is necessary for compliance with a legal obligation to which we are subject.

Your rights

The rights you have in relation to your personal information under data protection law are:

- The right to access
- The right to rectification
- The right to erasure
- The right to restrict processing
- The right to object to processing
- The right to data portability
- The right to complain to a supervisory authority

You may exercise any of your rights in relation to your personal data by writing to us using the details below.
